
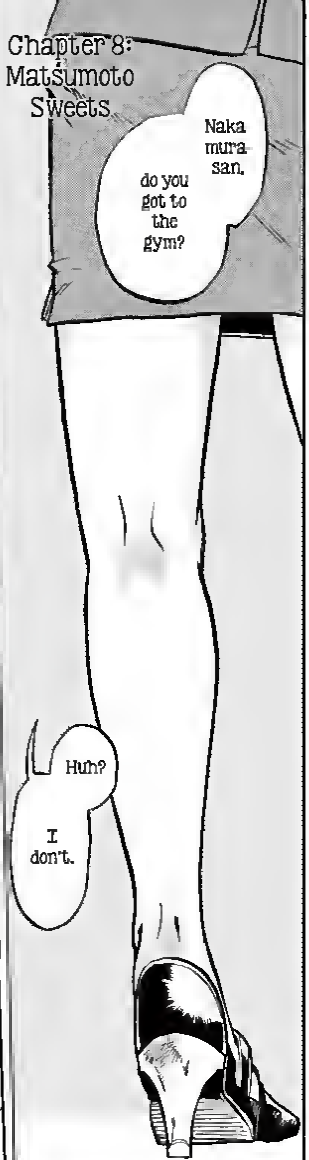
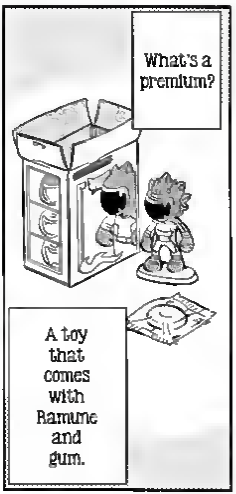
Chapter 8: Matsumoto Sweets



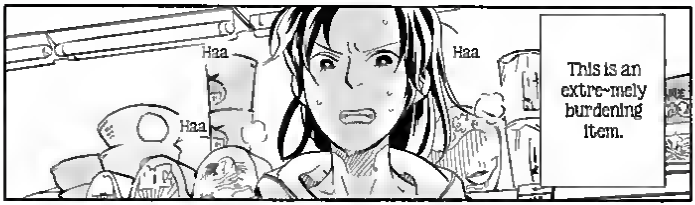
To get her hands on 'Juushouwan Soft Vinyl Premium Strong legend set 2: Enemy General Commander Genga'.
Son of the enemy General: Genga
Having no stamina can't stop an otaku...!!
She is pedaling through on and off road going around convenience stores.
Chapter 8: Matsumoto Sweets

1

These are divided as 'foodstuffs'.
Mama, buy this.
You can't help yourself can you?
It is shown as both a toy and a point of sale for sweets in supermarkets and convenience stores.
A tactic in which you can but this without going to a toy store.

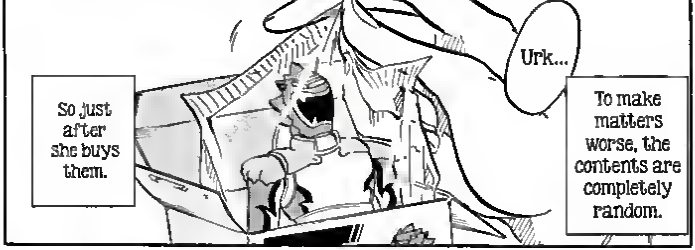


What's a premium?
A toy that comes with Ramune and gum.



Haa
Haa
Haa
This is an extre-mely burdening item.

So the selling period is short.
It's not here either.
And in the blink of an eye, it will be replaced with a new product.
ガクー…



So just after she buys them.
Urk...
To make matters worse, the contents are completely random.

Damn it. I went by the chief stores...

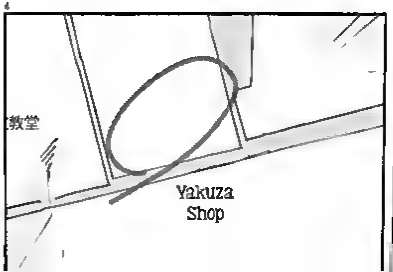
Nakamura's hand drawn convenience store map

And what's left is...



教堂
Yakuza Shop

This is the fifth one!
I still love him though.
Shishileo agaiiiinn!
I can assemble an entire team of one!

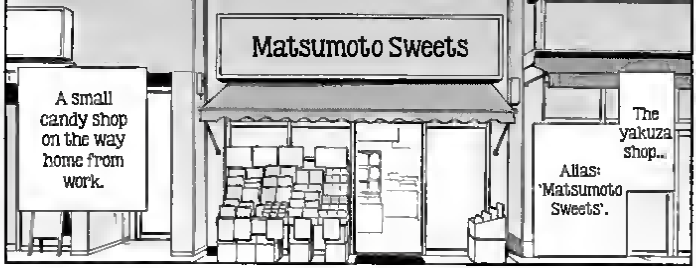
Make an equal assortment!!

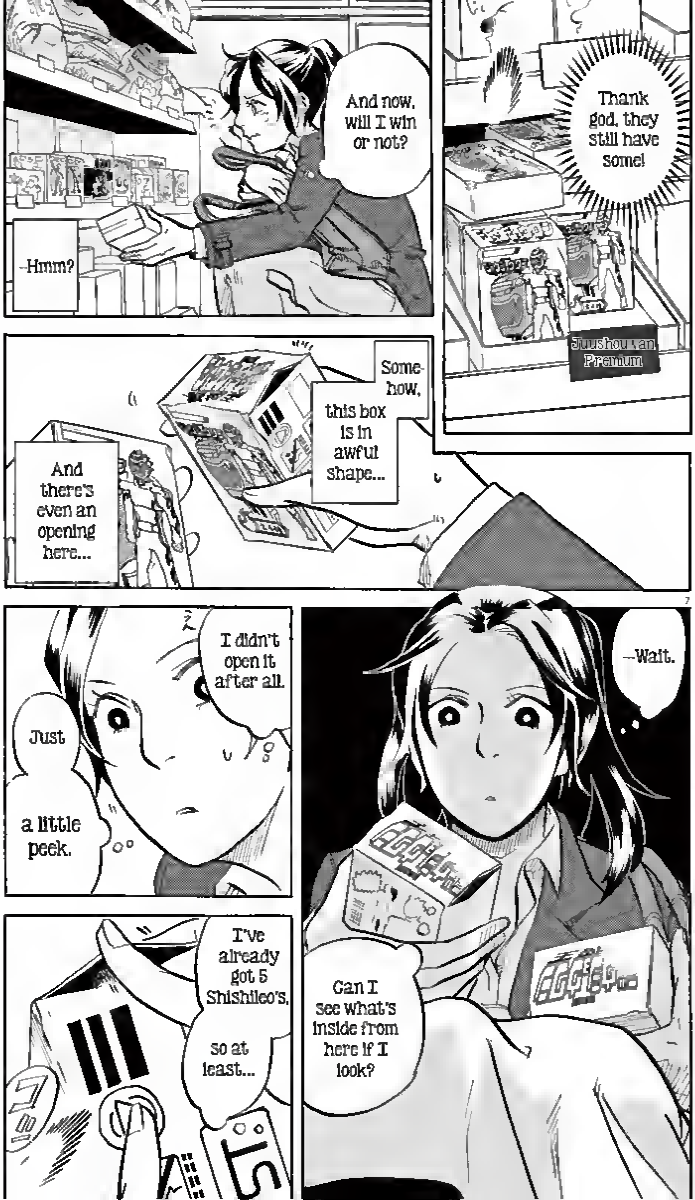


Matsumoto Sweets
A small candy shop on the way home from work.
The yakuza shop...
Alias: 'Matsumoto Sweets'.

but...
I know it's still rumbling with inventory...

I wanted to but it some time ago, and that very stern attendant...
I got so scared I called him the Yakuza attendant
He really glared me down...
ゴゴゴゴゴゴ

Hmm... the night breeze feels really good
I got labelled as far as 'The Self Made Cycling Woman.'
Like I can stand down here!
*Her reputation at work
Well, if I look at it from an average perspective, he wants to be there.
And yet,
Even the boys who buy pornos from all over the country do their best.
I can't go when there's a girl at the counter.
It's now 8pm. There's no kids!
Oh! my!
Biki biki! Bikkuree!
And the attendant is an old lady!
Here I go!!
Fight!
Okay!!
Welcome.



Hmm?
And now, will I win or not?
Thank god, they still have some!
Shishou-kun Premium
Somehow, this box is in awful shape...
And there's even an opening here...
I didn't open it after all.
Just a little peek.
—Wait.
Can I see what's inside from here if I look?
I've already got 5 Shishileo's, so at least...

Ya-
Yakuza attendant!?

Oh.
Why!? This isn't his shift, right!?

Welcome back, Masa'aki.
I'm home.
His parent's houusse!
A blind spot

ゴ

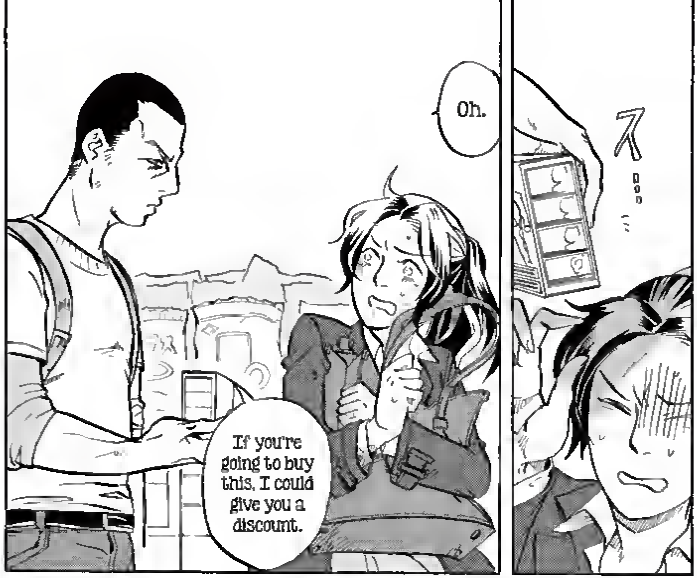
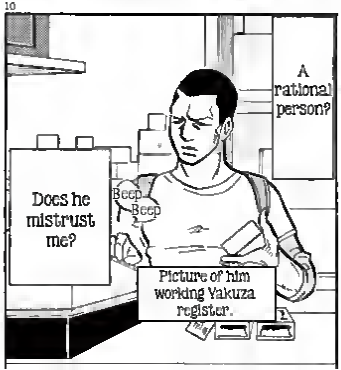
because he thinks I destroyed the box!?
Could he have been glaring at me
Agh!!
Don't go, Yakuza mom!!
Oh, thanks
Ma, I'm taking over
No!! Wait... I was trying to peek at it...
Aaaaghhhh!
die.
Time to



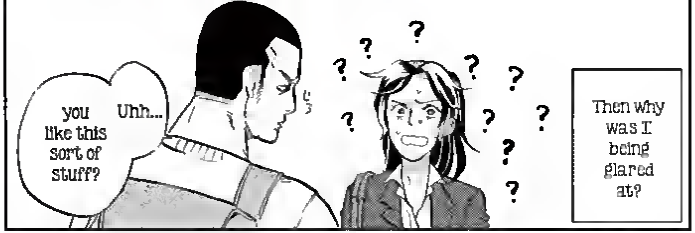
Oh.
If you're going to buy this, I could give you a discount.
ｽﾞ

But if it's like this, nobody'll buy it.
Half price I guess.
Ma's an old lady.
so she'll say I shouldn't do this.
???

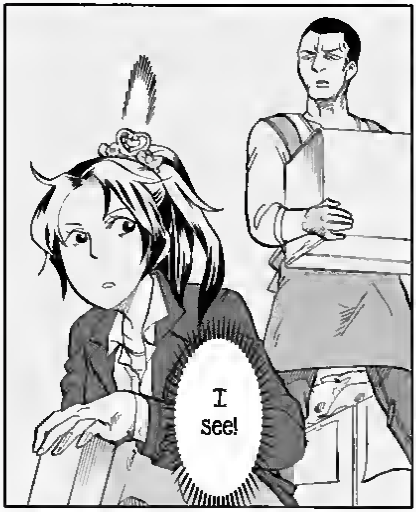


A rational person?
Does he mistrust me?
Beep Beep
Picture of him working Yakuza register.

Hm?
Four please.
How many you want?
Uh umm.
I'll take it then.
Huh?

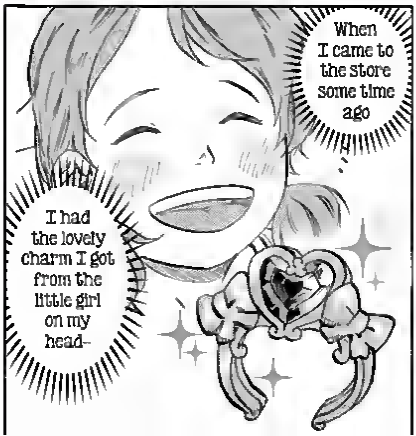


Uhh... you like this sort of stuff?
Then why was I being glared at?

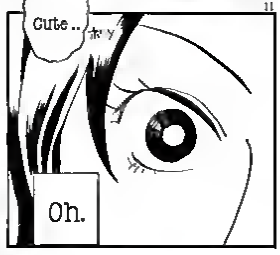


I see!

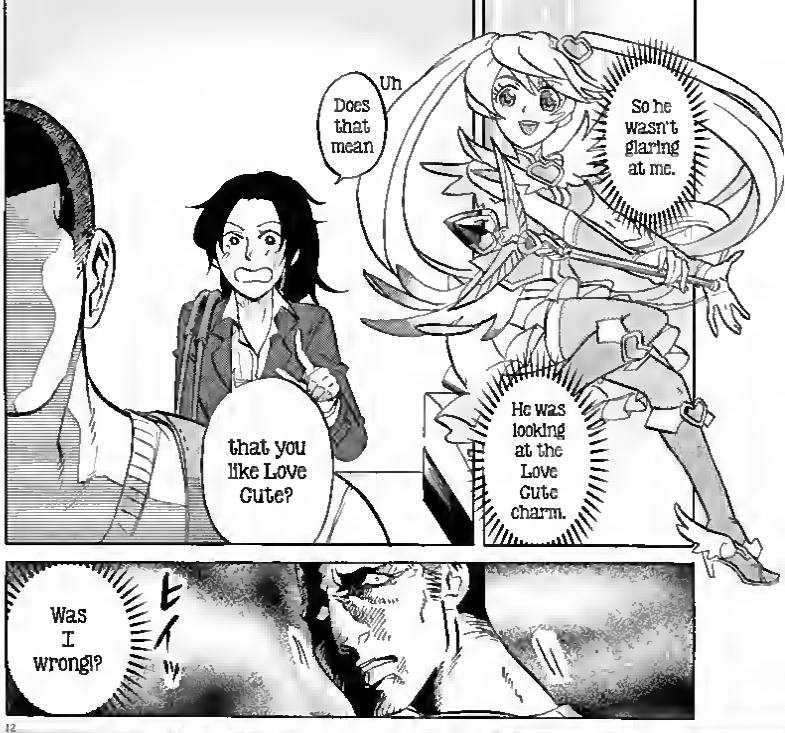
Umm It's a little...
Are we generally speaking about 3D?
So, well, here...
Tokusatsu's uhh...
Love..
Cute..



When I came to the store some time ago
I had the lovely charm I got from the little girl on my head-



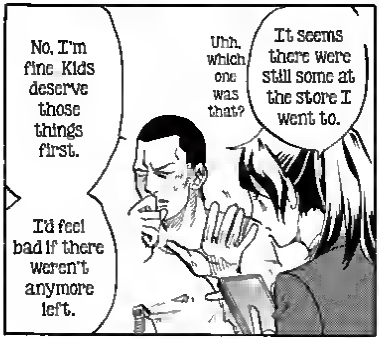
Oh.



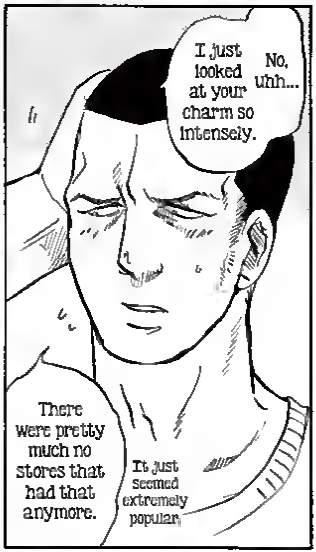
Uh
Does that mean
So he wasn't glaring at me.
He was looking at the Love Cute charm.
that you like Love Cute?
Was I wrong!?

Uh... I'm so awful... I... should hang myself!
It's okay!!
It's alright!
I'm sorry for being a disgusting nerd.

Boy who watches girls shows.
Girl who watches boys shows.
You're just being nice.
I'm sorry...
Don't apologize!
I also watch that.
My total opposite...!!



No, I'm fine. Kids deserve those things first.
I'd feel bad if there weren't anymore left.
Uhh, which one was that?
It seems there were still some at the store I went to.

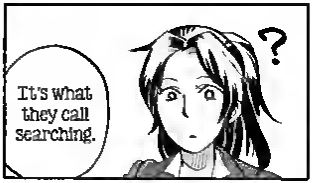


I just looked at your charm so intensely.
No, uhh...
There were pretty much no stores that had that anymore.
It just seemed extremely popular.

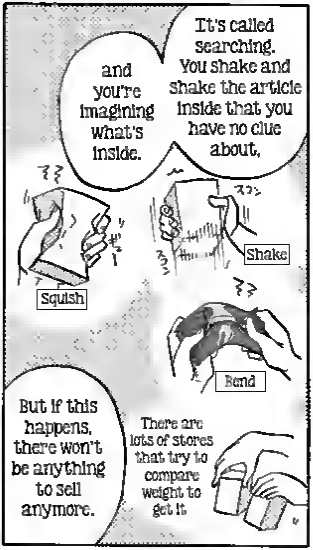
You don't have to be that attentive.

And I was looking at the product and how it got it's design.
Unexpectedly nice
Well, I think I bought one of them.

Every time I looked at it...
I'd be wondering
If I'd done the right thing there, right?
So terrible
I misjudged you
I just wanted to peek in
I listened! I listened!



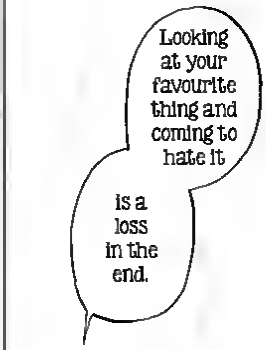
It's what they call searching.
?



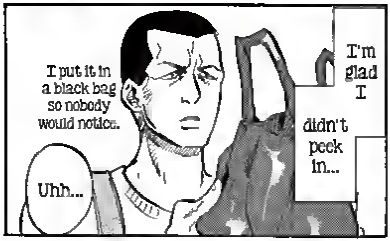
It's called searching. You shake and shake the article inside that you have no clue about,
and you're imagining what's inside.
Squish
Shake
Bend
But if this happens, there won't be anything to sell anymore.
There are lots of stores that try to compare weight to get it

'Just a little peek...'
Even though I feel like I want it by all means.

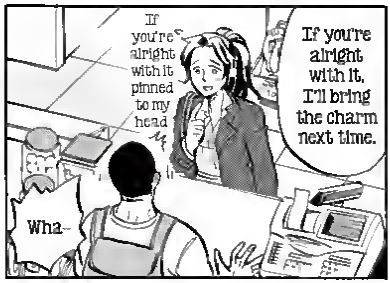
'Just a little peek...'



Looking at your favourite thing and coming to hate it
is a loss in the end.



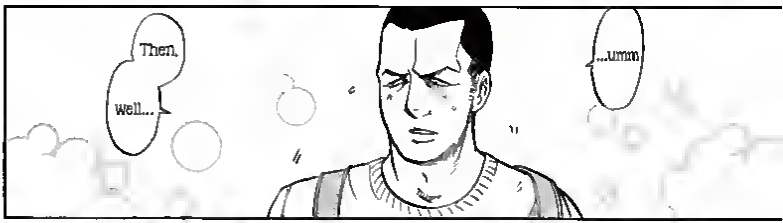
I put it in a black bag so nobody would notice.
I'm glad I didn't peek in...
Uhh...



If you're alright with it pinned to my head
If you're alright with it, I'll bring the charm next time.
Wha-

No uh.
I also got that myself.
I honestly don't need it.
I'm sorry for being so gross.
No, I'm fine! I'm sorry! It looks like I demanded it!

You will treasure this for sure.
I think it should be with someone who likes it.
So please take it.



...umm
Then, well...

When the new series comes, I'll hold some for you.
Yakuza attendant...
Your face is scary, but you're a thoughtful person...

Cheers!

Even his bow is Yakuza-like.

It-
If you have the heart, you can even become a wonderful Love Cute.
I rely on my friends and my fists.
It's not as if he wants to be a Love Cute.
やったー!
It's here!
It's General Gengal
This is... awesome... I went to the show I really like,
and even though I was alone, I also made friends.
Whoa...
Damian
Yoshida-san
Ah.

I am Genga and you?
It seems you have defeated my underlings.

Yaay
The general's also come on,
so I can rewatch the arc.
The Genga introduction episode.
Naka mura,
you got some real nice luck, there.
Laugh while you can.
We'll see
how long you have that power of yours.
